

# Tired of dreaming for a more peaceful night's sleep?

If you snore excessively, fall asleep during the day, or are tired all the time, you could be suffering from obstructive sleep apnea, a serious health issue a dentist can treat.

Even if you are currently using a CPAP device to treat sleep apnea — there may be a simpler, less cumbersome treatment.

**Dr. Steven Greenman offers a solution for this serious condition, changing lives and offering better health.**
